KEN AND SARAH RAMSEY RECORD 500TH VICTORY AT CHURCHILL DOWNS

LOUISVILLE, Ky. (Sunday, May 24, 2020) – Owners **Ken and Sarah Ramsey** won their unprecedented 500th career race at Churchill Downs on Sunday when 5-year-old gelding **Spanned** prevailed in the third race.

The Ramseys, multiple Eclipse Award winners who race their horses in the familiar white and red silks branded with an “R,” are the all-time leading owners at Churchill Downs with **Overbrook Farm** a distant second with 206 victories. The Nicholasville, Ky. couple has won a record 32 owners’ titles at the historic Louisville racetrack: 13 Spring Meet championships, 15 Fall Meet championships and four September Meet championships.

“We’ve won a lot of races for the Ramseys over the years,” trainer **Mike Maker** said. “It was special to get win No. 500 for them.”

The husband-wife duo could not be in attendance Sunday due to the COVID-19 restrictions at Churchill Downs. Some of their top horses that have won beneath the Twin Spires include their prized stallion **Kitten’s Joy**, 2006 Mrs. Revere (GII) winner **Precious Kitten**, 2009 Churchill Downs Stakes (GII) hero **Accredit** and 2013 Churchill Downs Distaff Turf Mile (GII) winner **Stephanie’s Kitten**.
